### Administrators' Message

**For us Catholics, Feb 14<sup>th</sup>, Ash Wednesday marked the start of the 40 days of Lent that leads up to Easter.** Lent invites us to prepare for Easter, to examine our Christian roots, to experience renewal and conversion, to look inside and change our hearts, to be present as the church prepares new member for initiation. We are called to focus on our own Baptism and to consider whether we have lived up to our Baptism into God's Spirit and to see what it means to be a disciple of Christ. **Lent is a time to repair, rebuild and strengthen our relations with God through prayer, fasting and almsgiving.**

After many years of hard Alberta climate, it's almost hard to believe the winter we have had this year and that we will be officially welcoming the season of Spring this month. With anticipation, we look forward to the signs of Spring that will bring us sunshine, puddles of water after much needed melt off of snow. We are hopeful that the many signs of new life will soon inspire us to once again go forth and grow anew in spirit, mind and body as we celebrate Easter on Sunday, March 31.

As we all gear up to welcome much needed sunshine, we are reminded that March is a short but busy month. We thank all our parents for their quick responses in stating their intentions for the upcoming school year. Our thanks and appreciation to the vast majority of parents who have already submitted their intentions for next year. This information allows us to better understand how we need to plan and prepare for the return of our students. Our planning for the upcoming school year is well underway! Parents are reminded that students do not have school on **February 29 & March 1 due to Teachers' Convention.** On **March 15 we will once again be celebrating our Terrific Kids** as part of a school-wide student recognition assembly. A reminder also that we will be having our second Scholastic Book Fair of the year and encourage buying books for the upcoming Easter season. **Demonstration of Learning afternoon and evening for parents on March 14.** This time is for parents to come and see what their children have learned and celebrate their growth and development. **There is no school during Spring break from March 25-29.** As well, please note that the **Thursday before Spring break is a full day of school, and the Friday becomes the early dismissal day for all students in Edmonton Catholic Schools.** **School will resume on April 2, 2024 following Easter Monday, which is also off for staff and students.**

We wish you a great month ahead as we continue our Lenten journey in preparation for Easter and especially wish you a restful and fun filled Spring break!

## REFLECTION

---

Lent is a sacred time of the year. On the surface, many cringe at the thought of Lent approaching, but deep down, faithful Christians anticipate this holy time with hopefulness that it will produce good fruit in their lives. Facing our sins requires a depth of honesty and humility.

Since Lent is the most important time of year to consider our sins, spend time looking at your own failings from various perspectives. Do not get discouraged in the process. Ponder sin with hopeful anticipation of freedom from those sins. Lent concludes with the beginning of the Easter season. Keeping Easter in mind is essential as you walk through Lent, make sacrifices, examine your conscience, and confess your sins.

**"Lent is a time of  
renewal for the whole  
Church, for each  
community and every  
believer. Above all it is  
a time of grace."**

- Pope Francis

## Why do we fast?

Here are some ways Christians think about fasting:

► **As penance.** Throughout the Old Testament, people covered themselves in ashes, took off their fine clothes, and fasted in order to express their repentance from sin. Fasting serves a similar purpose today.

► **Making room for God.** By emptying ourselves, even if just a little bit, we make room for God to enter our lives more fully. When fasting and abstinence are hard, we are moved to turn to God in prayer for help.

► **Strengthening the will.** Fasting is a spiritual discipline; just as physical exercise makes our body stronger, fasting strengthens our will. Practicing self-denial in small things strengthens our will to resist sin in other areas of our lives.

► **A preparation for mission.** For Christians, fasting imitates the forty days that Jesus spent in the desert. Just as Jesus used this time to prepare for his public mission, fasting prepares us to continue his mission in the world.

► **Solidarity with the suffering Christ.** Whatever small suffering we experience when we fast brings us closer to the suffering Christ—and all the people who suffer from hunger, malnutrition, and abuse on a daily basis. From [Teaching Catholic kids. Com](http://TeachingCatholicKids.Com)

### A Lenten Reflection...

Give up complaining; focus on gratitude  
Give up harsh judgments; think kindly thoughts  
Give up worry; trust divine Providence  
Give up discouragement; be full of hope  
Give up bitterness; turn to forgiveness  
Give up hatred; return good for evil  
Give up negativism; be positive  
Give up pettiness; become mature  
Give up jealousy; pray for trust

## ASSESSMENT OF LEARNING/REPORT CARDS

---

Sound assessment practices are based on the principle that assessment of the academic performance of our students is an on-going process through the collection and grading of student work that is both formative and summative. Teachers assess student growth and development in various subject areas through classroom participation, oral and written work, collaborative projects, test results, quality of assignments produced, homework completion and notebook maintenance. As done in the past prior to online reporting through the Parent Portal, teachers we will share your child's progress through a variety of means such as student work sent home, student portfolios, home/school conferences, and demonstration of learning, to name a few.

### Report Cards:

Student progress will be formally reported to parents two times a year in the form of a summary report card in both January and June.

## SOCIAL JUSTICE SERVICE LEARNING-WE CARE MARKETPLACE

---

Each year we visit Clansman Park for the We Care Market to share our love with our city's most vulnerable. This year it took place on Sunday, February 25. Thank you for all your donations, our bins were overflowing and to the staff and families who joined us at for this worthwhile project. With the support of every homeroom class, students collected donations and dropped items off into bins located within our foyer. Again, thank you for contributing to this worth cause.

We would like to thank all those who came out to help because this was certainly a team effort. The driving forces behind the "We Care Marketplace" are members of the Sherwood Park Alliance Church, who show up weekly, every Sunday of the year, along with some other denominational groups to minister to the less fortunate. This event happens every weekend. If you are interested in getting involved in the We Care Ministries contact, Zane Nykiforuk at [znykiforuk@gmail.com](mailto:znykiforuk@gmail.com). Modelling the different stages of Social Justice to our children is a determining factor that they too will grow up wanting to contribute to society and "Make a Difference" - exactly what we are called to do! As you know, together we can all make a difference through our social justice service-learning projects.

## SJB 'WALK FOR HOPE' WALKATHON (March 22 to April 1, 2024) ONLINE PLEDGES OPEN ---SEE LINK BELOW

---

We are happy to say that this year we will once again host our St. John Bosco School "Walk for Hope" Walk-a-thon. **The walkathon runs from (March 22 to April 1, 2024) beginning on Holy Thursday and ends on Easter Monday.**

**This year, our St. John Bosco School "Walk for Hope" Walk-a-thon will support Catholic Social Services 'Sign of Hope' Campaign.** This very important local Catholic organization that helps those in need. As a Catholic social services agency, they are guided by faith to care for and bring hope and offer a variety of services to people in need with humility, compassion, and respect.

We are calling on all our SJB families and the extended SJB Community to come together in unity to participate in this social justice call to action. With our participation, we express our thankfulness for our own personal blessings by giving back to those in need with grace and gratitude in our hearts.

This event will also highlight and foster active local citizenship and engagement, health, and wellness through physical activity and best of all, fun family time towards helping other families in need. Using

the 3 **A's (Awareness, Acceptance and Action)** approach towards increased social justice learning, we will work as a school community to teach and foster an understanding of the need for social justice.

To participate during the week, we encourage you to walk as a family each day/evening for a minimum of 30 minutes; logging your total time over the course of the week. As you consider how much you and your family want to pledge, consider this, you could pledge \$1 per minute/kilometer, or a flat rate per week or day, the choice is yours. For example, if you choose to pledge \$1 per minute here is how that might look for your family, (30 mins. /day x \$1 each minute = \$30 per day x 7 days = \$210 in total for the week). Some families may choose to only walk 3 times per week, then the that would look as follows, (30 mins. /day x \$1 each minute = \$30 per day x 3 days = \$90 in total for the week). If families prefer, they could simply donate a total amount. Regardless of the amount, it is the idea of social justice service through active citizenship and engagement, physical activity and quality family time that is at the heart of the **St. John Bosco School "Walk for Hope" Walk-a-thon.**

### Important Information:

- **Please use the pledge form** to track your time, this will be further used by your child/ren as we complete some cross-curricular learning activities in support of this school wide social justice initiative to help raise awareness while also teaching important academic skills in math, social studies, science, and other curriculum areas of study.
- **Capture photos of your walk as a family** and email them to [1024web@ecsd.net](mailto:1024web@ecsd.net), so that we can share the good news via twitter, our school website and school newsletter.
- **Commit** to make your walk happen **RAIN or SHINE from (March 22 to April 1, 2024)**
- **Donate to** St. John Bosco School "Walk for Hope" Walk-a-thon in support of **Catholic Social Services, 'Sign of Hope' Campaign** using the link, <https://www.canadahelps.org/en/dn/m/98259>

Thank you for your participation in our SJB Walk-a-thon in support of Catholic Social Services, Sign of Hope!

**EVERYTHING is online!** The SJB fundraising page will open on February 10th - March 6th. Click on this link to take you directly there: <https://jumpropeforheart.crowdchange.ca/51097>

From this link you can:

- Set-up your child's personal fundraising page
- Share your child's fundraising page
- Start a dialogue with your child about why they're jumping
- Learn life-long healthy habits by practicing the [EASY healthy habits](#) every day at school and at home. [You can track your habits online!](#)

Make healthy lifestyle choices! Why Jump?

- **Get moving** - Doing an activity that gets your heart rate up is great, but even something at a lower intensity, such as a leisurely walk, can help too!
- **Eat well** - Eating a heart-healthy, balanced diet is one of the most important things you can do to help lower your risk of heart disease and stroke.
- **Reduce your stress** - Physical activity can clear your mind, reduce tension and boost your energy. Aim for at least 150 minutes of moderate- to-vigorous aerobic physical activity per week, in bouts of 10 minutes or more.

All money raised will support the Heart & Stroke Foundation in their mission to promote children's health and fund vital heart and stroke research. **This year we are encouraging the students to get active by skipping rope AND shooting hoops!**

Students at SJB will be learning about the importance of living a healthy lifestyle, while giving back to their community. We are excited to promote the benefits of skipping and making healthy choices for our hearts here at SJB! We will be sharing some *Positive Mental Health strategies* to take care of our minds, bodies and souls. We have a school fundraising goal of \$2000 for the Heart and Stroke Foundation. There is information, facts, tips, etc on the website [www.jumpropeforheart.ca](http://www.jumpropeforheart.ca).

If you can fundraise, we thank you and appreciate every dollar! Prizes this year will be in the form of **gift cards** to Amazon, Indigo, Toys R Us, Walmart and will be delivered straight to your home with the address you provide online! Click [here](#) for prize info. If not this year, then we hope that you and your family are showing your support by: choosing "Healthy, Just Right" foods, getting active for 1+ hours every day, decreasing non-educational games on screens and choosing water over sugary drinks! It will be a fun event for all our students to jump and raise money for a great cause!

## EDMONTON CATHOLIC SCHOOLS ART WALK

On February 4th, two St. John Bosco grade 6 students had their artwork featured in the annual Edmonton Catholic Schools Art Walk. Their pieces stood out as cross-curricular projects that seamlessly integrated science and art.

Tasked with creating a constellation of their choosing, the students embraced the freedom to explore and experiment with various materials. Through this project, they delved into the realms of astronomy and mythology, intertwining scientific knowledge with artistic expression.

As our St. John Bosco community celebrates their achievements, these students serve as ambassadors of the collaborative spirit that fuels innovation and discovery across disciplines.
